

BED SOLUTIONS

Attendant Beds

Introduction:

Medimek is a trusted brand in the medical fraternity over a decade. Our singular and simple philosophy is to cater to the needs of all our customers with a comprehensive range of excellent quality, user friendly hospital furniture and allied products, offered in a broad spectrum of exciting shades, aesthetic patterns and creative designs and backed by prompt after sales services.

Beds are universal and essential for ensuring successful medical treatment to the patient in any hospital and medical institution.

Attending a recuperating patient can be a physically exhausting experience for his family and relatives in any medical institution. **Attendant Beds** are so well designed that they offer comfort and relaxation to the patient attendants, during their hospital duties.
