Instrument Trolleys Revolving Stools

Introduction :

Medimek is a trusted brand in the medical fraternity over a decade. Our singular and simple philosophy is to cater to the needs of all our customers with a comprehensive range of excellent quality, user friendly hospital furniture and allied products, offered in a broad spectrum of exciting shades, aesthetic patterns and creative designs and backed by prompt after sales services.

One of the most essential departments of any Surgical and Medical hospital is Operation Theatre (**OT**) and Intensive Care Unit (**ICU**). Multiple clinical procedures are being performed in these departments requiring ease and swiftness of man and machines.

Instrument Trolleys are pertinent to storing segregated instruments that perform an array of procedures and observations in these clinical areas and **Revolving Stools** are excellent complements while performing the procedures.
